PROBATE COURT

PROCEDURE BULLETIN 1

RELATIVE TO: Non-Standard Probate Court Forms; Use and Review

This procedure bulletin is prepared for informational purposes in processing case files. It is not intended to provide parties with legal advice.

All probate courts should submit suggestions for any new form to the Forms Committee. All suggested changes and requests for new forms must be reviewed by the Forms Committee to see if they should be used on a system-wide basis. If the Forms Committee decides not to use a proposed form on a system-wide basis, the form will not be used by any court. The Committee recognizes that many of the proposed forms reflect policy concerns of particular courts and those concerns will be referred to the Policy Committee for review.
